January 22-24th, 2012

CH[♥]OSE LIFE

WHAT IS THE MARCH FOR LIFE AND THE BUS4LIFE?

On January 22nd 1973, eight Justices of the United States Supreme Court decided that while all men were created equal, that equal protection only began after birth. Since that cold January day over 40 million boys and girls were never born.

For the past 38 years Catholic, Christians, and all those who recognize the value and dignity of EACH AND EVERY LIFE have been gathering in our nation's capitol Washington, DC.

Each year hundreds of thousands of people bear witness to the goodness of life by making pilgrimage to the National Shrine of the Immaculate Conception for the National Prayer Vigil for Life and by marching on Capitol Hill to show our elected representatives the GROWING pro-family, pro-woman, pro-child... PRO-LIFE MAJORITY!

The March for Life is one of the largest, longest lasting, and most peaceful demonstrations in the world! It's not about politics it's about the goodness of every life!!! Won't you join us in defending LIFE?

CHOOSE LIFE

"...the greatest destroyer of peace today is abortion, because it is a war against the child, a direct killing of the innocent child, murder by the mother herself. And if we accept that a mother can kill even her own child, how can we tell other people not to kill one another? How do we persuade a woman not to have an abortion? As always, we must persuade her with love and we remind ourselves that love means willing to give until it hurts. Jesus gave even His life to love us."

-Bl. Teresa of Calcutta

"I call heaven and earth to witness against you today, that I have set before you life and death, the blessing and the curse. So choose life in order that you may live,"

-GOD (Dt 30:9)

"I've noticed that everybody that is for abortion has already been born."

-President Ronald Regan

*After looking at an ultrasound of her daughter Lourdes:
"I was stunned when I saw on the ultrasound a tiny, living creature spinning around in my womb. Tap-dancing, I think. Waving its tiny arms around and trying to suck its thumb. I could have sworn I heard it laughing."*

-Madonna
